

## Colour and Image Usage Notice | COLORBOND® steel colours – BMP Files

### Colour Representation Disclaimer:

- The colour swatches provided on this site are intended to represent product colour as accurately as possible.
- Due to variations in lighting, screens, devices and digital colour reproduction we strongly recommend that you obtain a physical colour sample from Stratco Architectural Solutions on 1800 288 598 before making a final selection.

### Product Colour Availability:

- Colour availability may vary depending on the specific product and application
- Contact Stratco Architectural Solutions to confirm colour options for your specific project

### Limitation of Liability:

- The information provided is used at your own risk. To the maximum extent permitted by law, Stratco accepts no liability for colour representations or your use of and reliance on the materials provided on this site.

Please refer to our terms of use for further details.
