These bmp 'swatches' have been reproduced to represent actual product colours as accurately as possible. However, we recommend checking your chosen colour against an actual sample of the product before specifying or purchasing, as varying light conditions, screens and devices, and limitations of web palette colours may affect colour tones. Please contact BlueScope Steel Direct on 1800 753 658 for assistance in obtaining colour samples. Product profile samples may be available by contacting your preferred supplier directly.

Availability of core palette colours may vary according to end application and profile. We recommend contacting your preferred supplier to confirm colour availability for your selected product.
